SUITS delves into the fast-paced, high-stakes world of a top Manhattan corporate law firm where hotshot associate Harvey Specter (Gabriel Macht, "Love & Other Drugs") makes a risky move by hiring Mike Ross (Patrick J. Adams, "Old School") a brilliant but unmotivated college dropout, as his associate. As he becomes enmeshed in this unfamiliar world, Mike relies heavily on the firm's best paralegal Rachel (Megan Markle, "Horrible Bosses") and Harvey's no-nonsense assistant Donna (Sarah Rafferty, "Brothers & Sisters") to help him serve justice. With a photographic memory and the street smarts of a hustler, Mike proves to be a legal prodigy despite the absence of bonafide legal credentials.

In the wake of his arrest for conspiracy to commit fraud, Mike (Patrick J. Adams, ORPHAN BLACK) finds himself at the center of an investigation. Led by ruthless government prosecutor, Assistant US Attorney Anita Gibbs (new recurring guest star Leslie Hope, 24), the investigation threatens to bring down the whole firm. Harvey (Gabriel Macht, Love and Other Drugs), having resigned from the firm in order to protect it, must tread lightly if he's going to help Mike, or incur the wrath of Charles Forstman (returning guest star Eric Roberts, The Dark Knight). Together with Jessica (Gina Torres, FIREFLY) and Louis (Rick Hoffman, SAMANTHA WHO), Harvey must figure out how to build a defense for Mike, knowing full well that he's guilty of the crime for which he stands accused. Meanwhile, Rachel (Meghan Markle, FRINGE) must come to terms with the fact that her fiancé, and everyone she's close to, could soon be in prison as Donna (Sarah Rafferty, BROTHERS & SISTERS) finds herself at a crossroad.
