

TEEN MOM 2

SEASON 8 PREMIERE JULY 17 10P ET

Teen Mom 2 follows the stories of four girls from the second season of '16 and Pregnant' and documents the challenges of their first years of motherhood. Each episode interweaves stories of four teenage girls who are navigating the bumpy terrain of adolescence, growing pains, and coming of age - all while facing the responsibility of being a young mother. Each story offers a unique look into the wide variety of challenges young mothers can face: marriage, relationships, family support, or lack thereof, adoption, finances, and the daunting and exciting step of moving out of the nest to create their own families.
