**Saturday 8P ET | Season 11 Premiere October 3**

**bravo**

CRIMINAL MINDS revolves around an elite team of FBI profilers who analyze the country's most twisted criminal minds. The Behavioral Analysis Unit's most experienced agent is David Rossi, a founding member of the BAU who returns to help the team solve new cases. The team is lead by Special Agent Aaron Hotchner, a strong profiler who is able to gain people's trust and unlock their secrets. Other members include Special Agent Derek Morgan, an expert on obsessional crimes; Special Agent Dr. Spencer Reid, a classically misunderstood genius whose social IQ is as low as his intellectual IQ is high; Jennifer "J.J." Jareau, a confident young agent who acts as the unit liaison for the team, and Penelope Garcia, a computer wizard who helps research the cases. Each member brings his or her own area of expertise to the table as they pinpoint predators' motivations and identify their emotional triggers in the attempt to stop them.
