DRUGS.
IT ALL STARTED FOUR YEARS AGO
WHEN A MANITOBA RCMP CRIMINAL
ANALYST FLAGGED SOME TRENDS
REGARDING THE IMPORTATION OF
DRUGS INTO CANADA AND IT DIDN'T
TAKE LONG BEFORE THE FORCE
DETERMINED IT WAS ONTO A COMPLEX
OPERATION INVOLVING LARGE VOLUME
SALES OF COCAINE,
METHAMPHETAMINE AND ASSAULT STAR
ASSAULT RIFLES AND AMMUNITION.
POLICE AROUND THE WORLD BECAME
INVOLVED IN THIS SELECTION
INCLUDING THE COLOMBIAN NATIONAL
POLICE FORCE, POLICE IN GREECE,
U.S. HOMELAND SECURITY
INVESTIGATIONS OUT OF GRAND
FORKS, NORTH DAKOTA WERE EVEN
INVOLVED.

INCLUDING A FULL PATCH HILLS

WORKING FOR AN INTERNATIONAL
DRUG AND WEAPONS TRAFFICKING
OPERATION.
>> THE ARREST OF A MEMBER OF AN
OUTLAW MOTORCYCLE GANG SHOULD
NOT COME AS A SURPRISE TO
ANYONE.
WE KNOW THAT OUTLAW MOTORCYCLE
GANGS EXIST IN EVERY PROVINCE OF
CANADA.
THEY INTERCONNECT ACROSS
PROVINCIAL, MUNICIPAL
JURISDICITONS AND HAVE NATIONAL
AND INTERNATIONAL CONNECTIONS
AND ASSOCIATIONS.
THESE ORGANIZATIONS HAVE VAST
RESOURCES AND THEIR CRIMINAL
ACTIVITY IN CANADA INCLUDES DRUG
TRAFFICKING, FRAUD,
COUNTERFEITING, MONEY
LAUNDERING, CONTRABAND
SMUGGLING, EXTORTION AND
VIOLENCE.

>> Marilee: RENEE, RCMP SAY
41-YEAR-OLD DAMION RYAN IS A
FULL PATCH HELLS ANGELS MEMBER
FOR THE MOTORCYCLE GANG’S ATTIC
A CHAPTER IN GREECE.
HE WAS ARRESTED IN ONTARIO IN
FEBRUARY AND IS FACING NUMEROUS
CHARGES RELATED TO FIREARMS AND
DRUG TRAFFICKING.

>> Renee: MARILEE, ARE ANY
MORE ARRESTS EXPECTED HERE?

>> Marilee: YEAH, RENEE, THERE
ARE TWO INDIVIDUALS WHO ARE
STILL AT LARGE TONIGHT AND
WANTED BY POLICE IN CONNECTION
TO THIS INVESTIGATION.
30-YEAR-OLD KIEFER MICHAEL
KRAMER, WHO IS FROM WINNIPEG,
BUT POLICE BELIEVE HE COULD BE
ANYWHERE IN CANADA AT THE
MOMENT.

>> THE MANITOBA LIBERALS ARE
CALLING ON THE PROVINCE TO
IMMEDIATELY RE-INSTATE BASIC
 PANDEMIC PRECAUTIONS THAT HAVE
BEEN LIFTED BY THE STEFANSON
GOVERNMENT.
THE LIBERALS SAY THEY’RE WORRIED
WITHOUT CHANGES, MANITOBA COULD
SEE ANOTHER SURGE IN CASES,
LEADING TO OUR HEALTH CARE
SYSTEM ONCE AGAIN BECOMING
OVERWHELMED.
IN A LETTER WRITTEN TO THE
PREMIER, HEALTH MINISTER AUDREY GORDON AND Dr. BRENT ROUSSIN, THE PARTY IS ASKING FOR DAILY UPDATES TO BE POSTED ON THE COVID DASHBOARD.

IMPROVED ACCESS TO PCR TESTS AND DAILY REPORTING OF WASTEWATER TESTING.

IT'S ALSO ASKING THE PROVINCE TO CONSIDER LAUNCHING A CAMPAIGN TO ENCOURAGE BOOSTER VACCINATIONS AND MASK USE.

>> THERE IS A DANGER OF ANOTHER WAVE, AND THIS IS JUST VERY, VERY BASIC INFORMATION THAT WILL ENABLE BOTH GOVERNMENT AND MANITOBANS TO MAKE SMART CHOICES, TO BE ABLE TO SAY, LOOK, IF THE NUMBER OF CASES IS GOING UP, WE SHOULD ALL BE MAKING SURE TO BE WEARING MASKS, MAYBE WE SHOULDN'T BE GOING OUT AS MUCH AS WE CAN, IF THE GOVERNMENT IS GOING TO SAY THAT MANITOBANS NEED TO BE ABLE TO MAKE THEIR OWN CHOICES, THEY NEED TO PROVIDE MANITOBANS W THOSE RIGHT T HIS,

HEALTH WRITES IN PART...

THE CITY OF WINNIPEG IS HOPING TO REDUCE FOSSIL FUEL EMISSIONS BY MAKING IT EASIER TO GO GREEN. FOUR NEW ELECTRIC VEHICLE STATIONS HAVE BEEN ADDED ACROSS THE CITY.

YOU CAN FIND THEM AT SEVEN OAKS POOL, BILL AND HELEN NORY LIBRARY, KILDONAN PARK AND St. WITT HE WILL PARK.

THE CITY SAYS FOSSIL FUEL VEHICLE ARE RESPONSIBLE FOR NEARLY HALF OF THE TOTAL ELIMINATIONS IN WINNIPEG.

>> MEANTIME CANADA HAS SET NINE EMISSIONS TARGETS SINCE 1988 AND NEVER MET A SINGLE GOAL. BUT THE FEDERAL GOVERNMENT HAS INTRODUCED A PLAN IT BELIEVES WILL GET THE JOB DONE.
THE WORK WE HAVE TO DO, YES, IS AMBITIOUS, BUT IS ALSO REALIZABLE.
WE'RE GOING TO REACH THAT 40% CUT IN CANADA'S EMISSIONS BY ASKING ALL DIFFERENT SECTORS, INCLUDING OIL AND GAS, TO BE INCREDIBLY AMBITIOUS AND CONCRETE IN THEIR ABILITY TO DO THAT.

RENEE: THE PLAN TABLED IN THE HOUSE OF COMMONS TODAY SAYS AN INTERIM OBJECTIVE WILL BE TO CUT EMISSIONS 20% BELOW 2005 LEVELS BY 2026.
IT ALSO PROJECTS THAT THE OIL AND GAS INDUSTRY WILL NEED TO CUT GREENHOUSE GAS EMISSIONS BY 40% FROM CURRENT LEVELS BY 2030 AND ELECTRICITY EMISSIONS WILL BE ALMOST ZERO BY THE END OF THE DECADE.
CANADA WILL AIM TO ACHIEVE 35% OF TOTAL MEDIUM AND HEAVY-DUTY VEHICLE SALES, BEING ZERO EMISSION VEHICLES BY 2030.
A MANDATE WILL BE PUT IN PLACE ENSURING AT LEAST 60% OF NEW LIGHT DUTY VEHICLE SALES WILL BE ZERO EMISSION VEHICLES BY 2030 AND 100% BY 2035.

RENEE: THE FEDERAL LIBERALS WILL TELL US HOW THEY PLAN TO SPEND OUR MONEY NEXT WEEK.
OUR GOVERNMENT WAS RE-ELECTED ON A COMMITMENT TO GROW OUR ECONOMY, MAKE LIFE MORE AFFORDABLE AND TO CONTINUE BUILDING A CANADA WHERE NOBODY GETS LEFT BEHIND.

FINANCE MINISTER CHRYSIA FREELAND WILL DELIVER THIS YEAR'S BUDGE AT 4 p.m. ON THURSDAY APRIL 7th.
IT WILL BE THE FIRST ONE SINCE THE NDP AGREED TO PROP UP THE MINORITY LIBERALS IN EXCHANGE FOR INCLUDING SOME OF THE NEW DEMOCRATS' SOCIAL PROGRAMS.
THAT INCLUDES THE FIRST STEPS ON
NATIONAL PHARMACARE AND DENTAL CARE.

>> INDIGENOUS GROUPS WHO TRAVELLED TO ROME TO MEET WITH THE POPE GOT A PRIVATE TOUR OF VATICAN MUSEUMS THIS MORNING. THE MUSEUMS INCLUDE THE VATICAN'S COLLECTION OF INDIGENOUS ARTIFACTS. MANY OF WHICH THE DELEGATION HAS BEEN DEMANDING ACCESS TO. THEY'RE ALSO ASKING FOR THEM TO BE RETURNED HOME.

>> MY FIRST REACTION IS THAT I AM -- I AM QUITE DISAPPOINTED AND WE DID NOT MAKE ANY PROGRESS THERE, BUT WE ARE STILL HERE FOR THREE MORE DAYS, UNTIL THE GENERAL AUDIENCE ON FRIDAY, AND I HAVE A NUMBER OF MEETINGS SET UP WITH CHURCH OFFICIALS AND DIFFERENT DIRECTORS, HOPEFULLY WE CAN FOLLOW UP WITH THE DIRECTOR OF THE MUSEUM AND ACTUALLY START TO CARVE OUT THAT PATHWAY TO IDENTIFY OUR ITEMS, IDENTIFY THE PEOPLE WHO ARE RIGHT TO TELL THOSE STORIES, AND IDENTIFY A PATHWAY TO BRING THOSE ITEMS HOME.

>> Renee: MUCH OF THE COLLECTION AT THE VATICAN MUSEUMS IS FROM THE POPE WHO DECIDED TO HOLD A WORLD EXPOSITION IN 1925.

>> MORE THAN 150,000 FIRST NATIONS, METIS AND INUIT CHILDREN WERE FORCED TO ATTEND RESIDENTIAL SCHOOLS. THEIR SUFFERING WAS BOTH COMMUNAL AND UNIQUELY INDIVIDUAL. CTV'S CREESON AGECOUTAY HAS ONE SURVIVOR'S DEFINING MOMENT.
