**DEADLY CLASS** Season 1 *Series Premiere*

**Wednesdays at 10 p.m. ET, beginning January 16**

Based on the hugely popular **graphic novel series** of the same name, executive produced by the **Russo Brothers** (**Avengers: Infinity War**), and featuring breakout star **Lana Condor** (**To All The Boys I’ve Loved Before**), the 10-episodes, hour-long series is set in a bleak and ominous world against the backdrop of late ‘80s counterculture and teen angst.

**DEADLY CLASS** follows Marcus (**Benjamin Wadsworth**, TEEN WOLF) a homeless teen recruited into King’s Dominion, a storied elite private school where the students are the children of the world’s most feared crime bosses. Under the leadership of Master Lin (**Benedict Wong**, **Doctor Strange**), Marcus is forced to maintain his moral code while surviving a ruthless curriculum, which includes hand to hand combat and poisons, all while navigating vicious social cliques, and facing his own adolescent uncertainties. The series also stars **Lana Condor**, **Maria Gabriela de Faria** (YO SOY FRANKY), **Luke Tennie** (**Shock and Awe**), **Liam James** (THE KILLING) and **Michel Duval** (QUEEN OF THE SOUTH).
DEADLY CLASS streams exclusively on Crave following its broadcast run on Space.

**STAN AGAINST EVIL Season 3**

**Thursdays at 10 p.m. ET and 10:30 p.m. ET, beginning January 17**

**STAN AGAINST EVIL** follows Stan Miller (*John C. McGinley*, SCRUBS) a perpetually disgruntled former sheriff of a small New England town who was forced into retirement. Stan has trouble relinquishing his authority to Evie Barret (*Janet Varney*, YOU’RE THE WORST) the tough and beautiful new sheriff in town, but they form an unlikely alliance when both begin to realize things are not quite right in their quaint New England town.

The third season of the horror comedy series picks up right after the Season 2 finale, with Stan and Evie dealing with the consequences of Stan traveling through time to save his dead wife Claire. In doing so, he inadvertently opened a portal between the Land of the Living and the Land of the Dead, allowing evil forces to truly take over the town and even some of its inhabitants. Although always the skeptic at first, Stan must work with Evie to once more save the town – even if it means making a literal deal with the devil.

In the Season 3 premiere, “Hell Is What Your Make It” (*Thursday, Jan. 17 at 10 p.m. ET*), Evie is arrested for murder and committed to a psychiatric hospital. Stan attempts to rescue her, but everyone thinks he’s a demon. There may be a new way to free the souls cursed by Constable Eccles (*Randall Newsome*, TURN: WASHINGTON’S SPIES). Then, in “The Hex Files” (*Thursday, Jan. 17 at 10:30 p.m. ET*), two eerily familiar paranormal investigators arrive to investigate the Black Hat Society. Stan searches for a bigger evil ally that could help defeat Constable Eccles.
