

# BLUE BLOODS

BLUE BLOODS is a drama about a multi-generational family of cops dedicated to New York City law enforcement. Frank Reagan is the New York Chief of Police and patriarch of the Reagan brood, which he heads as diplomatically as he does the force, even when dealing with the politics that plagued his unapologetically bold father, Henry, during his stint as Chief. A source of pride and concern for Frank is his eldest son Danny, a seasoned detective, family man and Iraqi War vet who on occasion uses dubious tactics to solve cases. The Reagan women in the family include Erin, a N.Y. Assistant D.A., who also serves as the legal compass for her siblings and father, as well as a single parent to her teenage daughter Nicky, and Linda, Danny's supportive wife. Jamie is the youngest Reagan, a Harvard Law graduate and the family's "golden boy." Unable to deny the family tradition, Jamie decided to give up a lucrative future in law and follow in the family footsteps as a cop. He's found a friend and ally in Eddie, his young and eager female partner, who keeps him on his toes, but has very different reasons than the Reagans for joining the police force.
