

KEY & PEELE

THURSDAY 10PM ET

Keegan-Michael Key and Jordan Peele present **KEY & PEELE**, an original sketch-comedy show coming to The Comedy Network. Whether it's satirizing the President, spoofing Nazis, or ordering up some soul food, "Key & Peele" will showcase their chemistry, camaraderie and unique point of view, born from their shared background and experiences growing up biracial in a not quite post-racial world.
