COMÉDIE SUR MESURE

This new show sends 9 comedians to 9 different villages across Quebec, and gives them each 2 days to create a customized stand-up routine written especially for the locals. Our comics will have to meet and greet people around town, all the better to share a friendly laugh at their expense during a very special performance.

Guests: Mario Tessier, Philippe Bond, Mario Jean, PA Méthot, Les Denis Drolet, Réal Béland, Cathy Gauthier, Mathieu Cyr, Olivier Martineau and many more

MAGASIN GÉNÉRAL VARENNES

Each episode takes us back for a visit with the friendly and colourful Matt Dalpé and Junior Bourget, owners of a general store that specializes in hand-made accessories and unique steel and wood handicraft. Every week, they have to fill a major order for a particular individual or business client.

ANIMAL KINGDOM

(French Title TBD)

Josh (a.k.a. “J”) is only 17 when his mother dies from a heroine overdose. He’s taken in by a grandmother he barely knows, who also happens to be the head of a Southern California crime family. To survive, J will have to prove his loyalty to his uncles and to the family matriarch, who looks after her kids with an undying – and almost incestuous – love.

TRAINING DAY

(French Version)

Kyle Craig is an African-American police officer with the LAPD’s Special Investigations Unit. When the idealistic young man is teamed up with jaded, rule-bending police veteran Frank Rourke, the two cops will both have to make a few adjustments in order to work together effectively.

THE LEFTOVERS

(French Title TBD)

In a world where 2% of human beings have vanished from the face of the Earth without a trace, the townspeople of Mapleton are confronted with a mystery as several of their neighbours, friends and lovers suddenly disappear. Three years later, as commemoration ceremonies are being prepared, Sheriff Kevin Garvey is on high alert: it seems that dangerous confrontations are brewing between townspeople and a small group making mysterious demands.

SILICON VALLEY

(French Version)

Four computer programmers try to make a name for themselves in Silicon Valley, where the competition is not only fierce, but also merciless. Working in an incubator managed by the offbeat and opportunistic Erlich Bachman, the guys see their worlds turned upside down when one of them, Richard Hendricks, develops a revolutionary compression algorithm.

(SNCTM : pour adultes seulement)

What if there was a place where you could live out your wildest fantasies and feel free to explore your true sexual self? SNCTM is the most exclusive, high-end erotic club ever. Its wealthy members are treated to black tie masquerades, private dinner parties, and erotic theater. Get to know SNCTM and the people who inhabit it in this eye-opening documentary series.

REAL, FAKE OR UNKNOWN

(Trop fou pour être vrai?)

Of all the intriguing, shocking and extreme videos on the web, how do we know which are real? REAL, FAKE OR UNKNOWN works out how the web's most-watched clips were made.

STREET SCIENCE

(Science de la rue)

STREET SCIENCE focuses on unique experiments involving chemistry, fire and explosions, among others, caught in slow-motion footage. STREET SCIENCE, features "science guy" and storyteller Kevin Delaney as he leaves his lab behind and hits the streets to conduct "larger-than-life demos" combining "scientific method with curiosity and plain old-fashioned ingenuity."

LAST STOP GARAGE

(Le dernier garage)

LAST STOP GARAGE is a factual series with a comedic bent set in North West River, Labrador, population 499. The series follows the antics inside CRB Automotive, the sole auto repair shop in this wild and rugged frontier. The colourful cast of characters of this family owned garage are wildly resourceful out of necessity, and are willing to fix, invent and repurpose just about anything: Zambonis, snow blowers, airplanes, ATVs, snowmobiles and moose-damaged dump trucks.
