Animal Kingdom is a bold drama starring Emmy® and Tony® winner Ellen Barkin (Sea of Love, This Boy's Life, Oceans 13), Scott Speedman (The Strangers, The Vow), Shawn Hatosy (Southland, Reckless), Ben Robson (Vikings, Dracula: The Dark Prince), Jake Weary (Pretty Little Liars, It Follows), Finn Cole (Peaky Blinders, An Inspector Calls), Daniella Alonso (Revolution) and Molly Gordon (Love the Coopers, Ithaca).

The series centers on 17-year-old Joshua "J" Cody (Cole), who moves in with his freewheeling relatives in their Southern California beach town after his mother dies of a heroin overdose. Headed by boot-tough matriarch Janine "Smurf" Cody (Barkin) and her right-hand Baz (Speedman), who runs the business and calls the shots, the clan also consists of Pope (Hatosy), the oldest and most dangerous of the Cody boys; Craig (Robson), the tough and fearless middle son; and Deran (Weary), the troubled, suspicious "baby" of the family.

It isn't long before Josh is pulled into the family's life of indulgence and excess, but he soon discovers that it's all being funded by criminal activities. Joining the family comes with more danger and excitement than he might be ready to handle.
