

# CARDINAL

CARDINAL picks up several months after the events in the premiere season's exciting finale. It's early summer in Algonquin Bay and the blackflies aren't the only ones out for blood. Detectives John Cardinal (Billy Campbell) and Lise Delorme (Karine Vanasse) find themselves with a strange case on their hands involving a young woman with a gunshot wound to the head. The investigation quickly takes a turn as Cardinal and Delorme uncover a series of disturbing, ritualistic killings that may be connected to their young victim. Cardinal must work to identify the young woman before her attacker strikes again.
