

THIS IS US

Sometimes life will surprise you. Refreshingly honest and provocative, THIS IS US follows a unique ensemble of characters whose paths cross and life stories intertwine in curious ways. We find several of them share the same birthday, and so much more than anyone would expect. From the writer and directors of Crazy, Stupid, Love comes a smart, modern dramedy that will challenge everyday presumptions about the people everyone thinks they know.

THIS IS US stars Milo Ventimiglia (“Heroes”, “Gilmore Girls”) as Jack, Mandy Moore (“License to Wed”, “A Walk to Remember”) as Rebecca, Sterling K. Brown (“American Crime Story”) as Randall, Susan Kelechi Watson (“Third Watch”) as Beth, Chrissy Metz (“American Horror Story”) as Kate, and Justin Hartley (“The Young and the Restless”) as Kevin.
