

CLAWS

Series Premiere July 12 at 9p ET

bravo

An hour-long dramedy, *Claws* is set in a Florida manicure shop, that is a front for a female organized crime ring. A midnight-dark, wickedly funny meditation on female badness which follows the rise of five diverse and treacherous Florida manicurists in the traditionally male world of organized crime. We will soon find out there is a lot more going on at the Nail Artist of Manatee County salon than silk wraps and pedicures.
