

## MY SUPER SWEET 16

### SEASON FINALE JULY 24

After nearly a decade off the air, MY SUPER SWEET 16, is being reimagined for an all new generation. The 10-episode, 30-minute series, will now be expanded to include quinceañeras, debutante balls and even a "bro mitzvah" in addition to the, anything but, traditional sweet 16 parties. Get ready to follow the teens who throw the most bougie, over-the-top and extravagant – and most importantly, Instagram and Snapchat worthy – coming of age celebrations.
