

# WILD BEAR RESCUE

SEASON PREMIERE SEPTEMBER 17 | SUNDAY AT 8P ET

Their mission in life: rescue starving and distressed orphaned bear cubs, raise them until they can survive on their own, and then release them back into the wild. The Langens of northern British Columbia run one of the busiest bear rehabilitation centres and are the only people in the world licensed to raise and release grizzlies. Each episode of Wild Bear Rescue takes you to B.C.'s spectacular wilderness and into the Northern Lights Wildlife Shelter.
